

2019 Annual Meeting and Board of Directors Election

Deborah Cullen

Incumbent

As a retiree from Verizon, I held managerial positions in the areas of finance, regulatory, and legal. I have served on Signal's Board for the past 30 years, holding various Board Executive Positions as Chairman, Treasurer, and currently as Secretary. Having this vast knowledge and expertise from my career with Verizon and holding numerous positions on the Board supports my qualifications for re-nomination.

I am seeking re-election to the Board so that I may continue to serve members as a Director with the background required to provide oversight on Signal's financial stability; as well as working to ensure that members have an excellent experience and relationship with Signal. I will continue to support improvement and advancement of our financial services, while providing top notch service to our members.
